

**The Players Golf Association
TPGA has two charitable goals:**

TPGA's mission is to help improve the lives of Children, Teens and Adults on the autism spectrum. TPGA envisions a world where all individuals on the autism spectrum are respected, valued, and fairly represented; where appropriate support and services are readily available to those in need; and where people on the spectrum are empowered to participate in policy and personal decisions that affect their lives.

TPGA Junior golf is to develop and fund junior golfers through the growth and development as they pursue a career in golf. TPGA envisions having a minimum of four to five juniors whose goals are to become a professional golfer on the PGA Tour, LPGA Tour or the European Tour.

- TPGA is committed to help raise funds for Autism to support the cause and the mission of the Autism Society in our local communities
- TPGA will promote and provide financial support for junior golfers through events, equipment, scholarships and other golf related activities

TPGA is a 501(c3) charitable not-for-profit organization and is funded through donations, member contributions and various fundraising activities conducted throughout the year. Donations are tax deductible to the extent allowable by law. Consult your tax advisor for details.

Corporate Matching Gift Program:

Did you know that many employers sponsor matching gift programs and will match charitable contributions made by their employees? These contributions are often matched dollar for dollar, which doubles the power of your charitable donation. To find out if your company has a matching gift policy, check with your company's human resources / payroll department.

Grant Support: We welcome the opportunity to partner with other Foundations or Corporations interested in providing grants to support the advancement of children through golf. If you have contacts at any of these organizations, please email us at theplayersgolfassociation@gmail.com.
